GRANDFATHER GEORGE SHOOP 1838 - 1907

A history of the Shoop family in America will show that there was a relationship with the Royer family which in 1896 could not be untangled completely. The first Shoop we are informed was Jacob Shoop born about 1739, somewhere on the Rhine river in Germany. He was married to Elizabeth —some say Mary Bruner; in 1761 at Germantown, Pa., where they reared a family of (8) eight children, the only record of which we have states that their son Michael 1774 — 1847 was married in 1795 to Christina or Jane Royer 1778? — 1816 at Trappe, Montgomery County, Pennsylvania formerly New Providence, Pennsylvania. A record of the other children does not exist to our knowledge.

The first Royer to come to America was Sebastian Royer who landed here in 1718, with (4) four sons of record, two (2) of which Michael and Carl founded Royersford, Pa., on the banks of the Schuylkill river in Montgomery County, Pennsylvania, after which he (Sebastian) and the two younger sons; John, then 16 years old and Amos 14 years old settled in Lancaster county, Pennsylvania near Ephrata, where he died and is buried.

The record states that all the Royers were born in Germany.
